# English Plus Art & Design Intensive Summer course

---

This short course gives you the opportunity to:

- learn skills and techniques in, and explore ideas in, art and design
- improve your English, and practise by discussing things that you are interested in
- experience London
- make new friends with students from around the world on our large English summer programme

The course will include:

- 15 hours of English classes per week, Monday to Friday.
- 10 hours of Art activities and classes over four days per week
- use of the specialised facilities and studios in our modern Wandsworth campus
- self-study facilities, including materials on stoBlackboard; free internet access
- certificate of attendance

### Artistic Skills

- An introduction to creating arts and crafts, and a taster of various skills and techniques
- It will build your skills in drawing, painting, illustration and jewellery, and help you to present your creative work visually and verbally
- Use of drawing, paint and other techniques with various materials
- Advice about visits to London museums and galleries, and activities you can do outside the course

### English

- Classes will help you improve all your language skills: grammar, vocabulary, reading, writing, listening, comprehension (understanding), speaking & pronunciation
- You will also learn about UK Life and Culture and “the London experience”
